

KANSAS SCHOOL LUNCH WEEK FOOD & AG RESOURCES

The Kansas Department of Agriculture {KDA} is partnering with the Kansas State Department of Education {KSDE} to encourage schools across the state to utilize Kansas grown, produced or processed food products during school meals the week of January 28-February 1, 2013. If your school district is interested in hosting an agricultural commodity group for an interactive, educational presentation either during lunch or in a classroom setting please reference contact information below.
